My name is LEGO® EXPLORE

Some of you may know me by the name LEGO® DUPLO, but that's changed now. My friends say that I provide hours and hours of fun and that I'm one of the best ways for your children to discover the world through play.

Thanks to my building bricks, characters and vehicles, I enable children to experience endless possibilities and come up with their own creations.

I have a fun and versatile range of products that makes it easy for you to find exactly the right toy for your children's different ages and needs. But all the toys have one thing in common: they are fun to play with and will provide hours and hours of enjoyment whilst helping your children empower themselves to get the most out of life.

You'll win the race every time with this hot Ferrari F1 car and driver. Comes with a winner's podium and trophy!

DUPLO®

Every day is a new day in LEGO® Ville

As the sun rises over the mountain and casts its first rays on sleepy LEGO® Ville, the children are already at work, building and rebuilding their community. LEGO Ville never stops changing. Every day is a new day – with new experiences and exciting new problems to solve. And when

the sun sets the children head off to bed to dream of what new adventures await them tomorrow.

A new day – a new story – a new model – a new play scenario.

Grow As You Build

When small hands play with these robust toys, the young minds that build them grow. All children enjoy the wonderful experience of creating something – and learning about themselves and what the world has in store for them.

Children can build what they see on the box, or make up their own ideas and bring them to life. The products are designed especially for the 4 to 6 age group – but their play value will last for many years, and the fun will never stop!

RACERS

Have you got what it takes to race one – or perhaps even two...?

The new range of cars from LEGO® Racers will push your racing skills to the limit. Build one of the cars and it feels like you have the real thing in your hands. Each car has its own unique design and is powered by a powerful, pull-back motor. The only question is whether you are into daring, high-speed racing or want to test your off-road racing skills.

Or how about combining both challenges by combining two racers and seeing if you have the skills to control an awesome two-engine monster truck!

THE QUEST STARTS HERE!

Find the shield. Save the kingdom!

Knights' Kingdom revolves around the first ever LEGO® System based action figures. You'll have great fun playing "First Knight" and taking the leading role in this classic tale of Good vs. Evil.

Knights' Kingdom has all the ingredients a really good adventure needs: strong, skilful heroes, a cunning villain, and a dangerous quest. All the figures have unique personalities, so you have lots of roles to choose between!

The figures have some really cool functions and the element of good classic medieval competition is fun every time!
