toy every day**

The LEGO motor. To get things moving

The LEGO motor can be used together with all your LEGO bricks so that you can make your models move. Up and down, backwards, round and round.

107 Complete motor set

Advanced Basic Sets for big plans

910 Advanced Basic Set

911 Advanced Basic Set

912 Advanced Basic Set
with motor

These 3 Advanced Basic Sets have lots of bricks and special elements, e.g. cranes, wheels, ladders and small figures. They are ideal for all sorts of different models you want to make.

Here are some ideas for things to build from these sets.

Collect LEGO® GOLDEN STUDS for FREE gifts!

Collect Golden Studs from LEGO® packs and stick them on the Golden Bricks on this page. When 1, 2, or 3 bricks have been completed, cut them out and send them with the self-addressed stamped label to:

**Golden Bricks
British LEGO Ltd.
Wrexham, N. Wales
LL13 9UH**

and your free gift will be sent to you.

The number of Golden Studs in the sets is related to value so that sets retailing at around £1 contain 1 stud, around £2, 2 studs and so on up to a maximum of 6 studs in all sets over £6.00.

This offer applies to residents of Great Britain and the Republic of Ireland and free gifts can only be sent to addresses in those Countries.

Golden Studs are not negotiable and cannot be exchanged for cash or any LEGO sets or components other than those specified on this page.

We reserve the right to substitute gifts of the same value for those illustrated.
