

LEGO[®]OLAND

Ages 6-12

Welcome to a world of building fun!

Ages 6-12

LEGOLAND® Sets offer a whole world of building possibilities. They're LEGO® Sets you can build, collect and, best of all, connect together.

LEGOLAND Town has four kinds of Road Plates. They help connect your LEGOLAND Sets into a complete town. You can build right on the plates, or alongside of them. And you can drive your LEGOLAND Cars and Trucks over them - just like a real road!

LEGOLAND Space has Crater and Landing Plates. You can build on or alongside them and then connect them together to create your own Space Station.

Most sets include LEGOLAND Mini-Figures™ - with arms and legs that move, plus sturdy hands for carrying, lifting and climbing.

And LEGOLAND Sets come in all sizes: there are big sets like Main Street and the Galaxy Explorer, and small sets like the new Rescue Helicopter. But all LEGOLAND Sets are built to the same exact scale, and all of them can work together. So you can combine all your LEGO Sets - for unlimited play possibilities!

6000 LEGOLAND Idea Book

The LEGOLAND Idea Book - for even more building ideas!

The LEGOLAND Idea Book has 84 pages of exciting ideas for building and combining your LEGOLAND Sets. It shows you how to build an airport, how to make alien creatures, how to put on a circus, or even how to light up your town at night.

The LEGOLAND Idea Book also comes with a page of decals, which you can add to your sets for more realism!

If you can't find the LEGOLAND Idea Book at your store, and would like more information, write to: Susan Williams, Consumer Services, LEGO Systems, Inc., 555 Taylor Road, Enfield, CT 06082.

Dear Parents and Children

The word LEGO® is a brand name and is very special to all of us in the LEGO Group Companies. We would sincerely like your help in keeping it special. Please always refer to our bricks as "LEGO Bricks or Toys" and not "LEGOS". By doing so, you will be helping to protect and preserve a brand of which we are very proud and that stands for quality the world over. Thank you!
