LEGO Guarantee

YOUR SATISFACTION IS GUARANTEED. All of us at LEGO Shop At Home Service/LEGO Systems, Inc. take great pride in the quality of LEGO products and service we provide. Your satisfaction is our primary goal—and we do whatever it takes to make it right!

“It is worth every penny! My children continue to play with LEGO bricks when the novelty of other new toys has passed,” states Wendy Pannel of Murfreesboro, Tennessee.

Cheryl Hamrich of Chattanooga, Tennessee says “. . . when I think of how my sons have played with LEGO bricks *daily* for over four years . . . I have to say they are one of the best toy purchases a parent can make. I can't think of any other toy I could say that about.”

Many thanks for your *quick* and *kind* response regarding my two recent orders for my daughter's birthday. Both of the ladies I talked to were super and couldn't have been more accommodating. My 11 yr old son and 8 year old daughter play with LEGO products daily and you people are the best and so is your product. Again, many thanks.
