**8479 LEGO TECHNIC Barcode Truck.** This monster of a truck includes a new powerful LEGO TECHNIC electric motor and a Programmable Scanner which allows functions to be read and programmed into the vehicle. Realistic sounds can be heard which are generated by the scanner. The 8479 will build 3 other alternative models. There is the 6 wheeled truck with radar, a buggy designed for rough terrain and a robot. From 11 years.

## Advanced

From 9 years

**8480 LEGO TECHNIC Space Shuttle Colorado with Fibre Optics.** This set offers the ultimate building challenge. With its Fibre Optic System you can make the fuel pipes glow in the dark and two motors activate the opening of the hatches, the lifting and turning of the Canadian arm and also opens the satellite's wings as it is positioned out in space. If that's not enough you can build a gigantic submarine and use the motors for other functions. From 11 years.

### 8456 LEGO TECHNIC Multi Racer Set (with Fibre Optics).

From this set you can build a Pontoon Helicopter, a Dragster and a Swamp Boat with V4 motor or a Giant Mosquito and a robot. All the models can be made to glow in the dark using the Fibre Optic System. The Helicopter can be motorised with set number 8270. From 10 years.

**LEGO** Technic

Advanced

From 9 years

**8443 LEGO TECHNIC Pneumatic Logger**

You operate the crane and grab by means of pneumatics, and you steer the 6 wheels by the flashing light on the roof. Can be motorised with set no. 8720. From 10 years.

**8735 LEGO TECHNIC**

**Advanced Power Pack.** This motor will fit with all new 1997 LEGO TECHNIC Advanced sets 8414, 8459, 8479 and 8437. The set includes a motor, battery box, cable and elements from which you can build an experimental vehicle, helicopter or a crane. From 7 years.

**8459 LEGO TECHNIC Power Machine with Pneumatic Tank** with new pneumatic airtank for storage of surplus compressed air which can then be used for loading and unloading, heavy duty tyres and giant shovel. The power machine can be motorised with set no 8735. Also includes building instructions for pneumatic forest tractor. From 11 years.

**LEGO** Technic

Advanced

From 9 years

**8414 LEGO TECHNIC Sierra Nevada IV** with great suspension, V2 motor and hefty all terrain tyres in the front and caterpillar tread at the rear. Also builds a robot which can be motorised with set number 8735. From 9 years.

**8408 LEGO TECHNIC V2 Sport Star** with differential gear, air filled tyres, V2 engine and front wheel steering. Also builds a hefty roadster, which can be motorised with set 8720. From 9 years.

**8422 LEGO TECHNIC V-Twin Super Bike** with suspension on both wheels and a chain driven, two cylinder engine. Includes building instructions for a Dragster which can be motorised with set 8720. From 9 years.

**8437 LEGO TECHNIC Sahara Blaster** with rear suspension, 4 cylinder V motor and hefty all terrain tyres. The V motor can be removed and replaced with the 8735 motor. Also builds a radar vehicle. From 10 years.

**LEGO** Technic

**Starter**

From 7 years

**8223 LEGO TECHNIC Powerboat Columbia**  
Propeller driven via gear ratio. Also builds a light helicopter which can be motorised with set 8720. From 8 years.

**Includes Poster**

**8299 LEGO TECHNIC NAUTILUS WITH CD ROM.**

A realistic submarine with deep sea scooter and pneumatic system which enables deep exploration of the ocean bed. Building instructions are included both in print and on a new CD Rom. The CD ROM also includes building instructions for a number of other models and special LEGO TECHNIC hot tips. See below for further details of our brand new CD ROM. The CD ROM is compatible with Macintosh, IBM, Windows 3.11 and Windows 95. From 9 years.

**CD ROM**

The set comes with printed building instructions as well instructions on a brand new CD ROM. The CD ROM takes you .....

on a guided tour of a submarine base

to your building instructions for your submarine and

building instructions for a scientific base plus 5 smaller models

gives you information on the creatures of the sea

and information on all the LEGO TECHNIC sets available for 1997

# Starter

From 7 years

**8222 LEGO TECHNIC VTOL** with adjustable propellers and wings for vertical take-off and landing. Also builds a hovercraft which can be motorised with set 8720. From 8 years.

**8032 LEGO TECHNIC Multi Functional Starter Set** with spongy all terrain tyres. From 8 years.

**8062 LEGO TECHNIC Briefcase Set** with instructions to build a motorbike transporter, a twin rotor helicopter, a six wheel loader with four wheel drive and three exciting smaller models. Great briefcase for storage. From 9 years.

**8286 LEGO TECHNIC Amphipower** Two-seat amphibium with trailer and helicopter. Amphibium has rack-and-pinion steering, great suspension, winch and crane. The helicopter has a ducted fan rear motor and a camera installed. The car can be motorised with set 8720. The set also builds a submarine transport. From 9 years.

## Starter

From 7 years

**8720 LEGO TECHNIC 9V MOTOR SET.** Contains 9v motor, battery box and assorted LEGO TECHNIC components. The motor can be built into many TECHNIC models. From 7 years.

**8277 LEGO TECHNIC Robochopper.** A fun model which you can build in sections. Each section builds to form a robot or when taken apart smaller models can be constructed. Also builds a helicopter and sabre cat which can be motorised with set no 8720. From 8 years.

Includes  
Poster

**8232 LEGO TECHNIC Eagle I** with moving propellers. Also builds a racing car which can be motorised with set 8720. From 8 years.

**8216 LEGO TECHNIC Team Octan** with steering. Also builds an alternative vehicle which can be motorised with set 8720. From 7 years.

**8205 LEGO TECHNIC Elacstatic Turbo** with elastic for power. Also includes building instructions for two other vehicles. From 7 years.

# LEGO Technic

## Starter

From 7 years

**8207 LEGO TECHNIC Hawaiian Beach Racer** with spring suspension. Also builds a racing car which can be motorised with set no 8720. From 7 years.

**8230 LEGO TECHNIC Miami Beach Patrol** with rack-and-pinion steering. The set also builds a rescue vehicle which can be motorised with set 8720. From 8 years.

**8244 LEGO TECHNIC Transformator Set**  
Instructions for 9 models built up from 3 basic modules which can be snapped together. The models include a helicopter, breakdown truck, a trike, sports car and snow scooter. The modules can be interchanged easily. From 8 years.

**8210 LEGO TECHNIC GTX 500** with steering and rear wheel suspension. Also builds an off-road Trike which can be motorised with set 8720. From 7 years.

**8225 LEGO TECHNIC Super Kart** with steering and a single-cylinder piston engine. Also includes building instructions for a helicopter which can be motorised with 8720. From 7 years.

From 5 years

**6915 Xabductor** complete with Alien and Techdroid II this vehicle is equipped with newly decorated heat sensitive elements and other special features. From 7 years.

**6900 Xvader** with holographic and heat sensitive elements. The Alien completes the set. From 7 years.

**Includes Poster**

**6836 Xhyper vessel with Techdroid II.** From 5 years

**6979 Xinterstella Voyager**

A large spaceship with micro motor to operate the Fibre Optic System and a battery box that gives power to light up the control bridge. The Voyager and crew are a potential threat to the survival of the human race. Will their new way of life and futuristic communication processes cause the destruction of life as we know it? From 8 years.

The background of the advertisement features a large, detailed LEGO UFO set (6975 Xalienator) in the center-left, with a translucent yellow body and a grey base decorated with red and black patterns. To its right is another UFO set (6829 Xdiscoverer) with a white and yellow body. Below these are two smaller vehicles: a white and yellow one (6818 Xcyber) and a blue and white one. The entire scene is set against a dark space background with a large red planet in the upper right and a bright yellow light source on the left.

**6975 Xalienator** UFO complete with magnet that can lift the smaller UFO from its base to reveal the Alien Force and Techdroid I. The smaller UFO gives access to the control bridge and the larger UFO has two areas for control and communication purposes. It also gives storage space for the small land vehicle. With Aliens breaking through our protective space barriers will humans survive the new onslaught from outer space? From 8 years.

**6829 Xdiscoverer**  
with Techdroid I.  
From 6 years.

**6818 Xcyber**  
with Techdroid I.  
From 5 years.
