Be the FIRST to build your own awesome LEGO watch!

Go ahead, Maniacs, put your building, snapping, creating skills to work on this colorful LEGO watch. First, choose your colors, now build your band! What will it be? Red blue red? Yellow blue green? Change it with your mood, match your hat, pick your favorite color -- or go totally random if you want!

Next dress up the dial. Choose from three different rings -- a compass ring, minute timer ring, and international ring (hey, what time is it in Tokyo, anyway?). Use one, none or all three -- it's up to you to decide. With the LEGO watch, you don't just tell time, you build it -- yourself! Ages 5 and up.

Be the FIRST to build your own awesome LEGO watch!

Go ahead, Maniacs, put your building, snapping, creating skills to work on this colorful LEGO watch. First, choose your colors, now build your band! What will it be? Red blue red? Yellow blue green? Change it with your mood, match your hat, pick your favorite color -- or go totally random if you want!

Next dress up the dial. Choose from three different rings -- a compass ring, minute timer ring, and international ring (hey, what time is it in Tokyo, anyway?). Use one, none or all three -- it's up to you to decide. With the LEGO watch, you don't just tell time, you build it -- yourself! Ages 5 and up.

#W100 LEGO Watch \$39.75

Includes four interchangeable, child-size bands, plus lots of links in different colors to create a watch band that will fit almost anyone.

Snap together easily to create your own band!
