THE EPIC STORY.
The Insectoids continue to infiltrate earth as Planet Armeron becomes devoid of the Voltstone rock - the rock required for powering the 3 flying vessels, 6907, 6969 and 6977. Will they conquer Earth or are we strong enough to prevent the Insectoids taking over our planet!??

※ Requires 2 x 1.5v batteries to power the Voltstone energy.
※ Arachno base divides into 2 to form a smaller base and flying vessel!
6969 Space Swarm. With the new insectoid unit which gives off light and sound the front of the vessel can be detached from the rear to become a high speed space ship for those tricky manoeuvres. There are also 2 smaller vessels attached by magnets which have further magnetic elements to pick up the Voltstone from the planet Armeron. Zec, Captain of the Space Swarm, is the most experienced member of the team to pilot this craft. From 8 years.

6907 Sonic Stinger. Complete with insectoid unit which provides light and sound! Insector 2, the female member of the reconnaissance crew, controls this strong, powerful ship equipped for defending the Insectoid nation and for foraging the planet Armeron for the Voltstone rock. This rock is created when lightning strikes the planet and is used by the crew to fuel their fleet. From 7 years.

6837 Mantis Scavenger 6+

6977 Arachno Base. A sly spider! The base can split into two, to form two vessels, one with wheels and the other containing the special insectoid unit which creates light and sound. From 8 years.

6907 Sonic Stinger 7+

Requires 2 x 1.5v batteries to power the Voltstone energy giving the Insectoids 3 Sounds and light to communicate to the outside world!

6969 Space Swarm 8+

* The flagship of the fleet with 3 sounds and light for easy communication.
* To power the voltstone rock, earthlings require 2 x 1.5v batteries.
The Rock Raiders are a team of highly skilled engineers who arrive on a uninhabited planet to mine for energy crystals underground, but dangers lurk everywhere!! Boiling hot lava, rapid rivers and the most dangerous of them all THE ROCK MONSTER! Comic Action Adventure Strip included in each set!

WORLD LOCATED 4000 LIGHT YEARS FROM EARTH IDENTIFIED AS PLANET SLIZER.
A WORLD RULED BY ROBOTS THAT BATTLE AGAINST EACH OTHER FOR SUPREMACY.
A WORLD WHERE GOOD AND EVIL EXIST IN EQUAL MEASURE. ALL SLIZER ROBOTS HAVE SPECIAL DISC FIRING ABILITIES AND SHOULD NOT BE UNDERESTIMATED.
A SLIZER TRANSMISSION HAS BEEN INTERCEPTED TRANSLATION: WE ARE SLIZER. JOIN US.

JUDGE SLIZER’S MISSION
Having no continent of his own, his mission is to rule all continents for world domination, he is the leader of the evil Slizers. He draws his energy from cosmic background radiation.

ROCK SLIZER’S MISSION
To search for ‘heavy water’ which is required for his protection and for destroying his enemy, the stone monster.

JUNGLE SLIZER’S MISSION
To search for energy-resin required for giving Jungle Slizer strength in his world and for silencing the mutant plants.

ENERGY SLIZER’S MISSION
To search for neutrons used in the neutralisation of the proton monsters and to increase his energy levels.

FIRE SLIZER’S MISSION
To search for diamonds for provision of energy for himself and to increase the range of his flame thrower which he uses to stun the fire monsters.

ICE SLIZER’S MISSION
To search for special ice crystals for an energy source for himself as well as destroying the fur of the bloodthirsty animals that inhabit his continent so they cannot survive the cold.

SUB SLIZER’S MISSION
To search for special pearls that can break down the water into its constituent elements - hydrogen and oxygen. Mutant goblers who roam his continent hate hydrogen!

CITY SLIZER’S MISSION
To search for highly radioactive fuel which gives him a real surge of energy. The fuel can also be pumped into the mutant vehicles causing major damage and final destruction.

8233 Blue Thunder Versus The Stinger.
Get a real slice of the action with Blue Thunder versus The Stinger. Once you have built the models you control Blue Thunder as it tries to destroy the target. Victory can be yours. You can even motorise Blue Thunder with set number 8735. From 8 years.

8245 The Pincer. This is where the real action is. Build the two opposing vehicles and then prepare to do battle. As you use your vehicle with the jaw tong arm to hit the opposing target, its head will jump back and new eyes appear. The rubber band will then be released causing the vehicle to move forward. If this vehicle runs into the front of its opponent its claws are activated to attack. It is your job once those eyes are revealed to neutralise your attacker! From 9 years.

8269 LEGO TECHNIC Evil Eyes Versus Jet Bird.
Once you have constructed Evil Eye and Jet Bird, get ready to compete either with your friend or use the cones for target practice. From 9 years.
8257 Jaw-Tong Slammers.
This is where the real action is. Build the two opposing slammers and then prepare to compete. Each Jaw-Tong Slammer is controlled by shooting the arms forward to hit the opponent’s target. Once you hit your target the opponent is dislodged from his seat and victory is yours! From 9 years.

8266 Blue Flash Versus The Arachnophob.
This really brilliant set includes a motorised spider which jumps around to avoid Blue Flash hitting its target. You control Blue Flash by the use of its arms as you compete to get a real piece of the action. Once you’ve hit the target the spider’s controller is dislodged from his seat, the motor stops and victory is yours! From 9 years.

8268 LEGO TECHNIC
Jet Plane Versus the Scorpion Duo. Once you have constructed the jet plane you can battle with the Scorpion duo as they jump to try and escape the evil Jet Plane. From 8 years.

NOW YOUR LEGO TECHNIC BRICKS COME ALIVE!
The 8482 LEGO TECHNIC Cybermaster enables you to use your PC to physically move your models around. But at the same time, you can share in the fun and excitement with the on-screen adventure in LEGO TECHNIC City.

TAKE CONTROL OF THE SUITCASE AND JOURNEY TO LEGO TECHNIC CITY!
The LEGO TECHNIC suitcase is the ultimate in combining LEGO TECHNIC elements and CD ROM technology.

The CD ROM will take you on a journey to the different areas of the LEGO TECHNIC City. You are met by Taxi Jim, your guide to the City and Joe the Mechanic who will help you build a variety of interactive LEGO TECHNIC models.

One of the areas of the City is the Coliseum. Here, once you have constructed your models of Crusher and Stinger you can play a number of games in the gladiatorial area.

Area 15, another area of the City allows you to build a number of different intelligent robotic vehicles and then via your PC you can design a route for your vehicle.

SYSTEM REQUIREMENTS
To operate 8482 LEGO® TECHNIC Cybermaster you need:
- Pentium 90 Mhz PC
- 16 Mb RAM
- Windows 95
- 56 Mb free hard disk space
- 4 x CD Rom drive
- 1 Mb graphics card
- Sound card (graphics card and sound card must be direct X compatible)
